

Low-cost supplies and no-cost blood glucose meters for your TACHC 340B patients

As a contracted supplier of diabetes care products on the 340Better Pharmacy Program, ARKRAY can help stretch your limited resources so you can provide better care to your patients.

We do this by providing:

- The lowest cost test strips on contract for your 340B population
- The most commonly utilized sizes for pen needles and insulin syringes
- Meters at no charge
- A diabetes data management system
- No-charge diabetes wellness tools for your patients

How do I get meters for my patients?

To get GLUCOCARD® blood glucose meters at no charge as part of your 340Better contract, either:
 Email the completed 340Better BGM Order Form to CustomerService@arkrayusa.com or Fax your 340B Order Form to 1.877.767.0407 or Visit www.arkrayusa.com/TACHC.
